

# MADE SUMMER INTERNSHIP PROGRAM

## STEP 1

### FILL OUT THE APPLICATION

Complete the application by answering all questions as best you can and attaching your resume (PDF format is recommended). A cover letter is not required.

## STEP 2

### SUBMIT YOUR LETTER OF RECOMMENDATION

This letter should come from a professor or academic contact (not a current or former employer). You will receive an email with a unique link- forward this email to your professor so they can submit the letter directly through that link.

## STEP 3

### COMPLETE YOUR DIGITAL INTERVIEW

This interview consists of five video questions and one written question. You will have 30 seconds to prepare your answer and one redo per question. Just try to relax and be yourself!

Steps 1-3 need to be completed by the deadline for your application to be considered!

## STEP 4

### SCHEDULE A LIVE INTERVIEW

If you've been selected for a live interview, congrats! This interview is an opportunity to get to know you better. You'll be asked to solve a mini-case study and should come prepared knowing the types of roles/companies you're interested in.

## Step 5

### LOOK FOR NEXT STEPS FROM RECRUITERS

If we think you're a great fit for the program, we'll share your application with our partner companies. If they like what they see, they may reach out to you to schedule next steps which could lead to an offer!
